HOW TO ARCHIVE UNCINI'S WORKS

To store and authenticate a work is necessary and imperative to send the following material to Archive Uncini - Viale Augusto Ciuffelli 5-06039 Trevi – Perugia (Italy).

- The work data: measurements, technique, year
- Three professional photographs of the front, in color and 18x24 cm format
- A photo of the back, in color and 18x24 cm format
- A professional image and high resolution artwork (300dpi) on digital media
- Any documents related to the work and the owner of the data
- The copy of the transfer.

In the absence of even one of these points the Archive does not require an analysis of the work.

The Archive reserves the option of asking the works on display at its headquarters where the photographic material requested was not enough to decree the authenticity.

The Archive does not offer any services on estimates or economic evaluations of the works.

The costs for storage are € 400 for works and € 250 for the paper, collages on paper and jewelry.

The transfer must be paid in favor of:
